14	Bhartiya Jan Utthan Parishad	FSW	Patna	Discontinued by BSACS	Received through letter		<p>As per the published terms and conditions of the EOI, an organization applying for selection must not have been discontinued during the end-term external evaluation by SACS in the past three years from the date of the EOI publication. We have thoroughly reviewed the requirements and wish to clarify that BJUP has never been discontinued during the end-term external evaluation in the past three years. Our organisation was discontinued on the basis of not having the active PLHIV in our TI Project, Rajgir Nalanda on 7th July 2023 in the middle of the project. Hence, this particular discontinuation should not be regarded as the end term discontinuation which is one of the criteria for the shortlisting of the organization. Further, our record in this regard has been consistent, and we have maintained a strong commitment to the successful implementation of projects in alignment with the guidelines set by BSACS.</p> <p>Given that BJUP meets the stipulated criteria, we believe that the reason for our non-shortlisting may be based on a misunderstanding or oversight. Therefore, we kindly request BSACS to re-examine our application to consider BJUP for the next steps in the selection process for the implementation of the LWS in Nawada District.</p>	Non-Negotiable criteria as per NACO guideline not fulfilled. Therefore, Claim rejected.
